

FREDERICKTOWN

The Community club will meet at the home of Mrs. Charles Rinehart Tuesday, April 18, at 8 o'clock. Come on, members, let's be there.

Oh, boy! That good old chicken dinner—the annual Easter chicken dinner of the Baptist society—will be held in their new basement rooms at the church on Friday of this week.

The Junior play, "The Dream That Came True," will be produced at the high school auditorium on Thursday evening of next week. Get tickets now at Davis & Dague's.

Ticket holders to the M. E. brotherhood lecture course, are reminded that the Brotherhood was to put on a local number to fill out the course. There is being prepared a program that will be rendered sometime the first of May. We can assure the patrons that the number will be a hummer.

The Ladies' Aid society of the M. E. church met at the home of Mrs. J. K. Wilson Wednesday afternoon. Captains of three divisions turned in the money they had earned, amounting to more than \$125.

The milkshake season opened up here last Sunday morning, West First street citizens being the first to be served. The horse attached to the Ebersole milk wagon became frightened at some premature Easter display or something out of the ordinary for that staid street, and started on a rampage that ended with a badly broken wagon, harness, milk bottles, etc.

Miss Belva Leedy visited relatives at Mansfield the latter part of last week.

See the dream that came true at the high school auditorium next Thursday night.

The Arizona Republican, published at Phoenix, Ariz., publishes a lengthy account of the celebration of Canadian day by the Kiwanis club of that city on April 4, when the luncheon and program were entirely in charge of former Canadians, the principal address of the day being given by Rev. Thomas Hamblin of Temple, Ariz., a former pastor of the M. E. church in this place. The address was very favorably commented upon.

Messrs. E. C. Herring and Roy R. Perry have purchased the Hull & Brown hardware store and will conduct the same at the present location. These two men are too well known here to need any introduction to the public. Their honorable methods of conducting business for other people will follow them into a business life of their own. Of pleasing personality, courteous and giving their best service to accommodate patrons, there is no reason to doubt that their services will be appreciated by the people of Fredericktown and vicinity.

Messrs. Hull and Brown, the hardware men, have purchased the Sweet and hardware store at Mt. Gilard and will move their families to that place soon. We are very sorry to lose these two most estimable families but our loss is Gilard's gain and that city will add to its list of business men two hustling persons of whom they may feel proud, for their honorable methods will gain for them friends there as they did here.

The Fredericktown high school Alumni association held a meeting at the high school building last Monday evening. Mrs. J. W. Anders, president, presided. The treasurer's report, read by Miss Margaret Cornell, recording secretary, showed \$50 in the treasury, the largest nest egg the association ever had. Nine dollars of this was left from last year and a little over \$40 was realized from the play "Esmeralda" given by the Mt. Vernon Dramatic club on shares. After some other matters of business, the following officers were elected: President, Mrs. J. W. Anders; vice president, Mrs. George Cooke; recording secretary, Miss Margaret Cornell; corresponding secretary, Miss Esther Levering; treasurer, Miss Mabel Fawcett; executive committee, Howard Meredith, Lee Steele, Carl Owen. The president appointed the following committees: Refreshments, Mrs. George Cooke, Mrs. Anna B. Cummings, Mrs. Hobart Cassell, Miss Mary Keenan; program, Mrs. Edward Lewis, Mrs. Charles Ackerman, Mrs. F. M. Thornburg, Billy Owen; decorating, Conrad Landis, Homer Hall, Misses Eula Cooke, Ina Blackford, Merle Fidler. Adjourned to meet one week from Monday evening at the high school building.

Presbyterian Church—Rev. F. L. Harper, pastor. April 16. Sunday school 9:45. Some special Easter plans to be carried out by the primary department. At 10:45 the session will meet to confer with those who wish to become members of the church. This meeting will be in the men's class room. At 11, the Easter communion service, at which new members will be publicly received into the church. At 7:30 the Easter sermon, "The First Easter Evening," Zanesville presbytery meets Monday and Tuesday at Johnstown. The pastor and Elder F. E. Bone expect to

attend. The Light Bearers are now divided into two groups, the younger group meeting Monday and the older on Tuesday afternoon. Teachers' training Monday 8 p. m. The Women's Missionary society Wednesday at 2 p. m. Prayer meeting Thursday 7:30 p. m.

The Baptist society will have special program for Easter Sunday, on which will be dedicatory services for the addition of the new rooms recently completed. Let every member of the society be present and enjoy the occasion, as the addition is one that was badly needed and will be very much appreciated, especially by those who made the addition possible.

The Easter program of the M. E. Sunday school will be given Sunday at 11 a. m. The pastor will preach in the evening on The Resurrection. Everybody invited.

Mr. and Mrs. Bonnell and Miss Katherine Witmer of the Ohio State Sanatorium called on Miss Lucile Stockdale, also an employee of that institution, Saturday evening. Miss Stockdale has been confined to her home on account of the flu.

Helped Her Mother Wonderfully
In these days of "flu," coughs, colds, croup and whooping cough, it is well to know that every year there are used more bottles of Foley's Honey and Tar than of any other cough medicine. Mrs. S. L. Hunt, 515 West Sixth street, Cincinnati, Ohio, writes: "Foley's Honey and Tar relieved me of a hacking cough, tickling in the throat, wheezing and pains in the chest. It is helping my mother wonderfully." That's why druggists recommend Foley's—Advt. TuThS 229
